Extraordinary income	-26 068
Profits	42 449
Total	64 931 810

Students at the University of Applied Sciences of the Grisons

Bachelor's and master's degree programmes in the fields of:

Architecture and Civil Engineering

Media, Technology and IT

Business, Service and Information Science

Number of students

	2022	2021
Bachelor's and master's degree programmes in the fields of:	1828	1971
Architecture and Civil Engineering	136	153
Media, Technology and IT	489	471
Business, Service and Information Science	1203	1347

Place of residence of bachelor and master students

- Canton of the Grisons
326 students
- Other canton, incl. the Principality of Liechtenstein
1454 students
- Foreign country
48 students

100 % = 1828 students

Degree and further education programmes

Bachelor's degrees

Architecture and Civil Engineering

- Architecture
- Civil Engineering

Media, Technology and IT

- Computational and Data Science
- Mobile Robotics
- Multimedia Production
- Photonics

Business and Service

- Business Administration
- Digital Business Management
- Digital Supply Chain Management
- Information Science
- Sport Management
- Tourism

Master's degrees

Media, Technology and IT

- Engineering (MSE)
- Digital Communication and Creative Media Production*

Business and Information Science

- Data Visualization
- New Business
- Sustainable Business Development
- Tourism and Change
- User Experience Design

Further education

Architecture and Civil Engineering

- MAS in Sustainable Construction
- CAS Continued Construction on Existing Buildings
- CAS Urban Forestry

Information Science

- MAS in Information Science
- CAS Library and Archiving Work
- CAS Digital Trends in Information Work
- CAS Principles of Information Work
- CAS Museum Work

Management

- Executive MBA in Digital Technology and Operations
- Executive MBA in Digital Transformation
- Executive MBA in General Management
- Executive MBA in New Business Development
- Executive MBA in Smart and Digital Marketing
- MAS/DAS in Business Administration
- MAS in eHealth
- MAS in Energy Management
- CAS Digital Practice Management
- CAS Project Management
- CAS Strategy with Impact

Media, Technology and IT

- CAS Augmented and Virtual Reality
- CAS Digital Communication Excellence
- CAS Music Production

Public administration

- CAS Digital Transformation in Public Administrations
- CAS Management of Public Administrations and Non-Profit Organisations

Tourism

- CAS Event Management

* Study programme will run for the first time in 2023
