2022		10.01.22						21.02.22							14.04.-20.04.22						03.06.22																		19.09.22														23.12.22	
		14	BW	E	E	E	BW	1	Spring semester																												BW	1				BW	Autumn semester									13	
	14.01.22														Easter break, Thurs-Wed																							Graduation day															
								21.02.22																							12.08.22								22./23.09.22															
								Bachelor/Master thesis																																																
		Master thesis									Bachelor thesis Architecture / Civil Engineering																																															
								11.03.22			14.03.22										03.06.22																		19.09.22																
2023		09.01.23						20.02.23						06.04.-12.04.23							02.06.23																		18.09.23														22.12.23	
		14	BW	E	E	E	BW	1	Spring semester																												BW	1				BW	Autumn semester									13	
	13.01.23														Easter break, Thurs-Wed																							Graduation day															
								20.02.23																							11.08.23								22.09.23															
								Bachelor/Master thesis																																															
		Master thesis									Bachelor thesis Architecture / Civil Engineering																																															
								10.03.23			13.03.23										02.06.23																		18.09.23																
2024		08.01.24						19.02.24						28.03.-03.04.24							31.05.24																		16.09.24														20.12.24	
		14	BW	E	E	E	BW	1	Spring semester																												BW	1				BW	Autumn semester									13	
	12.01.24														Easter break, Thurs-Wed																							Graduation day															
								19.02.24																							09.08.24								20.09.24															
								Bachelor/Master thesis																																															
		Master thesis									Bachelor thesis Architecture / Civil Engineering																																															
								08.03.24			11.03.24										31.05.24																		16.09.24																
2025		06.01.25						17.02.25								17.04.-23.04.25					30.05.25																		15.09.25														19.12.25	
		14	BW	E	E	E	BW	1	Spring semester																												BW	1				BW	Autumn semester									13	
	10.01.25															Easter break, Thurs-Wed																							Graduation day															
								17.02.25																							08.08.25								19.09.25															
								Bachelor/Master thesis																																															
		Master thesis									Bachelor thesis Architecture / Civil Engineering																																															
								07.03.25			10.03.25										30.05.25																		15.09.25																
2026		05.01.26						16.02.26						02.04.-08.04.26							29.05.26																		14.09.26														18.12.26	
		14	BW	E	E	E	BW	1	Spring semester																												BW	1				BW	Autumn semester									13	
	09.01.26														Easter break, Thurs-Wed																							Graduation day															
								16.02.26																							07.08.26								18.09.26															
								Bachelor/Master thesis																																															
		Master thesis									Bachelor thesis Architecture / Civil Engineering																																															
								06.03.26			09.03.26										29.05.26																		14.09.26
