Emergency Contact

Please list the people you would like to be notified in case of emergency. Keep in mind that your contact people should be able to take decisions about your health in case of emergency (i.e. should you need an operation and be unconscious) or be able to contact your parents/relatives in order for them to do so.

NOTE: include ONLY contacts who can speak at least some English and/or German. AVOID friends or non-relatives who cannot decide on behalf of you in case of emergency.
