

Location: Zurich, Geneva

Work Pattern Percentage: 80-100% for 6 months (with the potential to convert to a full-time position)

Start date: from November 2025 onwards

Help our clients make investment or divestment decisions

Launch your career in our Strategy & Transactions team. We advise clients from strategy to execution on topics covering valuation & modeling, cost optimisation, restructuring, business design and transformation, infrastructure and real estate, M&A, and sustainability. We are currently looking for a trainee to join the M&A Transaction Services team.

By joining our team, you will actively support clients make M&A decisions and maximise their returns as sellers and buyers. Your work will directly impact the pricing and execution of M&A transactions.

How you can make an impact

- You will have the opportunity to structure, analyse and present financial statements, company reports and other financial information on companies from various sectors – independently and in teams – using various tools (Alteryx, Excel, Power BI, Tableau as well as various AI-enabled tools)
- You will use both financial analysis and presentation skills to identify, quantify and communicate M&A-relevant findings in an impactful manner
- You will learn to maintain attention to detail without losing sight of the big picture
- You will be working in different project-based team constellations in a highly collaborative environment. You will have the chance to positively contribute to the team spirit with your down-to-earth attitude and high motivation

Who we are looking for

- Motivation to work under pressure and with short deadlines
- Nearing the completion of your Master's degree in Finance, Banking, Accounting and/or MBA
- Previous internships and/or work experience in M&A, Investment Banking, Audit, Private Equity, Finance & Control etc. are highly appreciated
- Experience in due diligence projects and/or analysis of balance sheets, cash flows, income statements is a plus
- Strong Excel skills, prior experience handling large financial datasets (e.g. using Alteryx) and/or knowledge of tools such as Tableau and Power BI is an advantage
- English & German and/or French are mandatory. Any additional languages would be a strong advantage

Your team

Our M&A Transaction Services team advises buyers and sellers ranging from small and medium-sized enterprises to large multinational corporations and private equity firms in their evaluation of potential M&A transactions. We look forward to welcoming you as part of our team! We offer the opportunity to learn something new every day in a supportive, low-hierarchy, and highly collaborative environment.

We are a 40+ team of international professionals adding real value to our clients. The office language is predominantly English. We appreciate diversity in all its forms and will help you grow as a professional through training, coaching and many other continuous development opportunities.
